

Manzella Bio

Hello Forestlake members.

My role on the board is as the Director of Security, Director of Communication and Director of Dock rentals and boat launch patrol. My goal is to help keep the community safe and to take a proactive transparent approach to how we as a board communicate to the community. Please consider joining our FLPOA Board of Directors Facebook Page at <https://www.facebook.com/groups/1089605661958561/?ref=share>.

I retired from my sales and sales leadership career from GFS and Sysco and living full-time in Forestlake with my wife Phyllis. I stay active through my involvement as a National Ski Patroller and as the Director of the local Bike Patrol.

Thank You,

Vito Manzella
