

Hello neighbors!

I am currently the Forest Lake Property Owner Association Secretary while also assisting other Board members with tasks such as Communications/Liens and Foreclosures. A little about myself, my husband Mike and I (plus our 2 children) are part-time residents of Forest Lake and we love it. We have wonderful friends and neighbors here.

I have been a legal assistant/paralegal for 30 years at a Birmingham law firm. My experience has largely been in commercial litigation, business, property management and real estate matters (including homeowner association issues). I have also served as the Deputy Clerk for Rose Township (Debbie Miller/Clerk) and remain the Rose Township Clerk's Election Specialist for all Michigan elections.

I am outgoing, honest and have an excellent work ethic. I hope to assist the Board on behalf of ALL Forest Lake residents, improving upon while not altering the ruralness, simplicity and quaintness of our community.
