

Pat Gordon

Hello Forest Lake community. My husband and I retired and became full-time residents at Forest Lake 4 ½ years ago and were homeowners in Forest Lake for 17 years before that. I am the mother of 4 married children and grandmother to 6 wonderful grandchildren. I am currently on the Board of Directors by appointment and have been a volunteer for many Forest Lake activities, including chairing the annual Ice Cream Social, throughout my 21 years here.

My experiences include my career as an executive assistant to the Board of Education and Superintendent of Lake Shore Public Schools for 23 years. I was also a 23-year member of the Optimist Club community service organization and am currently a member of the Alger CERT (Community Emergency Response Team). Other hats I've worn include, Realtor, union steward, cheerleading coach, notary.

I believe my history of community service and experiences are beneficial in service to the Forest Lake community. We have all experienced the awful damage to our spillway and are continuing to learn about the process and costs needed to repair it. I am an optimist and believe that together we can begin to bring the community back together to continue to make this a wonderful place to live, retire and visit.
