

Don Whitmire

I'm 65 years old, retired and a full-time resident of Forest Lake. My wife Tami and I moved here in 2014 from Montrose, where we raised our two children. I ran my own business doing auto glass, which I retired from in 2021.

I was the Vice President on the Board of Directors at Canada Creek Ranch, in which I oversaw six lakes, two trout streams, a beach with pavilion, a campground, a ranch house and gas wells all on 13,500 acres.

I feel I can bring many things to FLPOA from my past experiences. Forest Lake is our forever home and I feel now is the time for me to give back. Thank you for your consideration.
