

# SNOW PLOW CLUB

**Snow will be plowed when depth reaches 3 inches, until March 31, 2024.** All plowing includes a second pass to re-clean driveways after the county trucks have passed. For safety reasons and to reduce liability, snow removal will only be performed during daylight hours. **We cannot accommodate early appointments.**

- **Basic service:** A straight push from the house or garage to the street only. This does not include additional driveways or parking areas. Fee is \$190.
- **Extended Basic Service:** For driveways that are extremely long with trees or other obstacles that make it more time consuming to plow. Fee is \$200.
- **Full Service:** Includes Basic Service plus additional driveways and parking areas. Fee is \$210.
- **Mailbox Area:** Not included in driveway fee. Fee is \$25 to clear area in front of mailbox.

**Please make sure your address is high enough to be visible from the road.** In the past, snow on the side of the road was higher than the address on some mailboxes. If we cannot identify your address we may miss plowing your driveway. Please clearly mark your driveway, parking area and all obstacles such as water well caps, fences, stones, tree stumps, etc. that are on or near the plowing area. **FOREST LAKE WILL NOT BE RESPONSIBLE FOR DAMAGE TO ANYTHING THAT IS NOT CLEARLY MARKED.**

If you are interested in having your driveway and/or mailbox area plowed, please complete and return the form below **by Wednesday, November 15, 2023.** Full-time residents will be first priority. Please be sure to include your check and indicate the services you want.

Director, Gene Ross
