

### **Phil Cole**

Hey there, I'm Philip Cole, but you can call me Phil. I've been a proud member of the Forest Lake community for a solid 15 years now, and I've gotta say, it feels like home. About 3 and a half years ago, I decided to put down even deeper roots and became a permanent resident here. It's been an incredible journey watching this community grow and thrive.

Now, let me tell you a bit about what keeps me busy these days. I'm the proud owner of KLAS Solutions, a business I started with a mission close to my heart. KLAS stands for something truly special to me - it's named after the four most important women in my life: my amazing daughters, Kaitlyn, Laura, and Aubrey, and of course, my wonderful wife, Shelly. Family means everything to me, and that's why I run KLAS Solutions with that same sense of warmth and support.

At KLAS Solutions, we're all about helping dentists achieve their dreams. Whether it's coaching, practice transitions, Tax and Accounting, Real Estate and marketing, or anything in between, we've got the tools and expertise to guide them every step of the way. I love being able to share my years of experience in the dental industry and teaching background to empower others to build their dream practices.

So yeah, that's a bit about me. When I'm not busy with KLAS Solutions or spending time with my family, you'll probably find me enjoying the great outdoors here in Forest Lake. Whether it's driveway talks, fishing, grilling or just taking in the beauty of nature, I feel truly lucky to call this place home.
